

SADD Resources

Indiana SADD

Indiana SADD sends out newsletters, monthly email updates, SADD manuals and activity guides, as well as other information to schools across the state. These materials are free of charge. If you are interested in receiving these resources, log onto www.indianasadd.org and register your chapter! Also, join the Indiana SADD group on facebook!

SADD National

Through their website, www.sadd.org, SADD National provides several free resources, as well. You can register to receive the monthly SADDvocate and the quarterly newsletter via email, and download campaign kits focusing on different issues throughout the year. The official SADD logo is also available on the SADD National site. Watch for regular updates with new opportunities and information to benefit your chapter.

Buckle Up Signs

Indiana SADD offers Buckle Up signs to schools as an awareness tool to educate their peers on the importance of buckling up. The 12"x18" metal signs are just one more resource for SADD chapters to impact their community. Order forms are available online.

SADD Opportunities

Indiana SADD Celebration

This one-day high school event is held each April to celebrate SADD chapters' accomplishments and to provide learning opportunities for students and advisors across the state. The annual Quick-Click Challenge and the Indiana SADD awards are always part of the day's festivities. Look for more details about the SADD Celebration in the winter newsletter and online.

Student Leadership Council

The Indiana Student Leadership Council is a small group of students selected from all across the state to help with current SADD projects, as well as to help develop new ones and improve Indiana SADD.

SADD National Conference

Held each summer at different locations throughout the US, the SADD National Conference is one where SADD students and advisors from all across the country come together to educate each other, exchange ideas, be inspired, celebrate successes and have a great time. For more information, log onto www.sadd.org.

Indiana SADD

401 N. Plum St., Union City, IN 47390
Ph. 765.964.4683 Fax 765.964.SADD
www.indianasadd.org

SADD's mission is to provide students with the best prevention tools possible to deal with the issues of underage drinking, other drug use, impaired driving, and other destructive decisions.

The Governor's Council on
Impaired & Dangerous Driving

Indiana SADD

Founded in 2000, Indiana SADD (Students Against Destructive Decisions) is a student prevention organization supporting nearly 300 middle school, high school and college SADD chapters in the state, and assisting in the development of new ones. The goal of SADD is to save lives by encouraging youth to make positive choices.

Indiana SADD is a partner of SADD National, the supporting agency for all state SADD programs, as well as the 10,000 chapters nationwide.

With car crashes being the leading cause of death among youth, Indiana SADD emphasizes the importance of seatbelts and safe driving. Indiana SADD also supports programs combating underage drinking, drug use, impaired driving and other destructive decisions.

If you do not already have a SADD chapter in your community, Indiana SADD can help you start one! If you have a chapter, contact Indiana SADD for support.

SADD Traveling Programs

Outdoor Programs

Quick-Click Challenge

The Quick-Click Challenge is a safety belt bucking competition in which teams of four compete against each other for the fastest time. Indiana SADD provides the winning team at each school with Quick-Click shirts.

Fatal Vision Obstacle Course

The Fatal Vision Obstacle Course involves a golf cart, fatal vision goggles, and willing students. Indiana SADD sets up an obstacle course for students to drive through wearing fatal vision goggles, simulating different levels of BAC (blood alcohol concentration). The goal of this program is to physically demonstrate to students how drinking alcohol can affect you and impair your driving.

Seat Belt Convincer

Our newest program, the Seat Belt Convincer demonstrates to those of all ages the importance of buckling up. The Convincer allows participants to experience the actual force of a 5-10mph crash and the value of the restraint provided by a seat belt. (Release with parent signature required)

Indoor Programs

“Cruisin’ Cooler” Course

An indoor version of the Fatal Vision Obstacle Course, the “Cruisin’ Cooler” is a motorized device used to allow students to experience the effects of visual impairment while driving.

DDR/ Guitar Hero

Indiana SADD brings Dance Revolution and Guitar Hero to middle schools and high schools to promote SADD chapters among their peers and to demonstrate just one of many fun, safe alternatives on the weekends. Provided typically during the lunch hour, this program gives chapters an opportunity to talk openly about SADD and recruit!

Intoxiclock

The Intoxiclock is a device used to show students the length of time it truly takes for someone to recover from the effects of alcohol. It also provides SADD employees the opportunity to talk one-on-one with students about what is legally considered a drink, the effects of alcohol on the body, and myths about alcohol.
